Normal Garbage Service Resumed in Clearlake

Clearlake, CA – October 19th, 2017

Clearlake Waste Solutions has resumed the normal garbage service schedule within the evacuated areas of Clearlake. CWS will pick up extra bags if necessary to make up for the missed week.

According to City Manager, Greg Folsom, “The City of Clearlake worked with Clearlake Waste Solutions to provide several large dumpsters throughout the evacuated areas. Now that normal garbage service has been restored, residents are asked to use their own garbage containers for normal household waste, or take it to the landfill.”
