Sulphur Fire Recovery Meeting Scheduled for Thursday

Clearlake, CA – October 20th, 2017

In order to keep residents impacted by the Sulphur Fire as fully informed as possible, a second Community Recovery Meeting has been scheduled for Thursday, October 26th at 5pm at Clearlake City Hall located at 14050 Olympic Drive. Representatives from FEMA, the Governor's Office of Emergency Services (CalOES), Lake County, and the City of Clearlake will be there to provide updates and answer questions regarding the recovery process.

According City Manager, Greg Folsom, "Lake County, CalOES, and FEMA have been incredible partners in helping our city deal with the recovery process. We know from the County's experience with the Valley Fire and Clayton Fire that successful recovery depends upon citizens having an understanding of the clean-up and rebuilding process and we all are committed to helping our citizens through that process."
