Open Letter to the Voters of Clearlake;

We, the City Council Members for the City of Clearlake would like to thank each and every resident who supported and voted to pass Measure V, our 20 year road improvement sales tax that will significantly change the look of our city. The passage of this measure was critical in the rebuilding plan for our city and it will make a significant difference in our future and our children's future.

People are watching our city to see what we are doing here and with the passage of Measure V we have received a lot of positive feedback, people are talking about the positive changes happening here and investors are coming to us with their plans of new business and new opportunities within the City of Clearlake.

Your Clearlake City Council Members recognize the effort and support given to us by our community and we want to thank each and every one of you. Together we will continue to improve and thrive!

Respectfully Submitted,

Russell Perdock, Mayor

Nick Bennett, Council Member

Joyce Overton, Council Member
